

# Oceanside Community Makerspace

Ground floor, 133 McMillan Street, Parksville, British Columbia, V9P-1K7

---

Dear valued member of Oceanside Community Makerspace,

We are reaching out to you to share some good news! But first of all, **Thank You**, for showing up and supporting our society at our general meeting on July 29th, and we look forward to seeing you again for the upcoming AGM. Members make Makerspace!

We are looking onward and upward, and have several very unique and interesting courses to brighten up your days this fall. See our new website for upcoming classes. We also offer many drop-in activities or just a space to bring your project and work amongst friends. And in case you didn't know, we do offer memberships that include storage.

Our new website can be accessed at: [oceansidemakerspace.org](https://oceansidemakerspace.org) Please note: .org

We are also Re-instating **Book Club** this fall! We expect it to be popular.

Finally, we would like to invite you to a **Member Appreciation event** also highlighted in the "News"

Section of our website that will take place on September 10th from 3:30 to 5:30. We will offer snacks and refreshments and a few **demonstrations from both our jewelry studio and our glass studio**. RSVP on the website, or just show up! Bring a friend!

We hope to see you there! Mark your calendar. Thank you for your involvement in our community Makerspace. Please feel free to send in suggestions or questions - we'd love to hear from you.

If you are receiving this note and you'd prefer not, please update us at [oceansidemakerspace@gmail.com](mailto:oceansidemakerspace@gmail.com)

Warmly,

*Your Oceanside Community Makerspace Board of Directors*
